

## Forms - Text Fields and Text Areas

---

### Text Fields

Default

Label

Width may vary

A simple text input field with no content.

Filled

Label

A text input field containing the placeholder text "This has been filled in".

Active

Label

A text input field with a blue outline, indicating it is active.

Active Filled

Label

A text input field with a blue outline and containing the placeholder text "This has been filled in".

With hint text

Label

This is the hint text

A text input field with a placeholder text "This is the hint text".

Error

Label

This email is invalid

A text input field with a red border and a placeholder text "hello@". A red error message "This email is invalid" is displayed above the field.

Disabled

Label

A text input field with a grayed-out appearance, indicating it is disabled.

Search

Width may vary

Label

A text input field with a placeholder text "Width may vary". To its right is a blue square icon containing a white letter "Q", representing a search function.

No label

A text input field without a visible label text.

### Text Area

Default

Label

A large text input area with no content.

Active

Label

A large text input area with a blue outline, indicating it is active.

Active - Filled

Label

A large text input area with a blue outline and containing the placeholder text "This has been filled".
